### Miss Thake's Class Skyped Intrepid Museum

Miss Thake's class skyped the Intrepid Museum in New York this week. They saw space shuttles, space food and saw an experiment that showed what would happen to the human body if you didn't wear a space suit in outer space.

### Important Dates 2018- 19

Today we will email out a set of important dates over the next school year. We do this so that parents can book time off work in advance to attend school events etc

We endeavour to include all relevant dates on this document. These are dates that we currently know about. If we receive any other important dates, as the year progresses, we will include them in our weekly newsletters.

Next week we will add this document to our school website under the 'Parents' tab and can be found on the school calendar page.

### Star of the Week

**Nursery**—Mrs Jones

Holly H

**Reception**— Miss Forlani

Aryah O

Mr Gillan

James F

PE

Harry H & Emily C

### Attendance

Attendance for this week **94.3%**.

Well done to Miss Forlani's class who achieved **99.3%** this week

### Internet Safety

At school we talk to our pupils about how to keep safe when using the internet. We would like to let parents know about some valuable resources for finding more information regarding on line safety at home. The link below give details of a partnership between O2 and the NSPCC to provide advice and demonstrations for parents.

[www.nspcc.org.uk/what-we-do/about-us/partners/nspcc-o2-online-safety-partnership/](http://www.nspcc.org.uk/what-we-do/about-us/partners/nspcc-o2-online-safety-partnership/)

### NSPCC and O2

Call our helpline, visit an O2 Guru or explore our online safety advice for everything you need to keep children safe online.

We also have a section about e-safety on our school website under the 'Parents' tab. The link can be found at

[www.acrehall.trafford.sch.uk/for-parents/esafety/](http://www.acrehall.trafford.sch.uk/for-parents/esafety/)
