ENHANCED CURRICULUM

Over the past few weeks the children have begun to take part in curriculum enrichment activities on a Friday afternoon. These include a variety of activities to support the children's more holistic development. This half term they include

- Jo Jingles musical experiences
- Sport's coaching from Shooting Stars
- Lego Mania
- The Toy House
- Cheerleading

We will be reviewing these activities half termly so that children get to have lots of different experiences to support their development. Check out our twitter feed for photos and video's of these activities.

CHRISTMAS DECORATIONS

We will be decorating school for Christmas on Thursday night and would ask that any parents, grandparents, friends or families who may have decorations they no longer need could donate these to school. If they could be sent in before next Wednesday 28th November we would be very grateful.

SCHOOL OFFICE

We would like to introduce Miss Rebecca Hearldon as our permanent office manager. Miss Hearldon has much experience organising and running a school office and she is already getting us all organised. In her spare time Miss Hearldon is the paralympian cheerleading coach and we can't wait for to bring those skills to school.

Miss Hearldon is looking forward to meeting all our wonderful parents and helping you with whatever you need.

STAFFING

It is with sadness that I announce the resignation of Mrs Rankine for personal reasons. We wish her all the very best for the future. The children in the Meadow's classes will continue to be supported by Miss Walker, Miss Marshall and Miss Lyons along with a variety of other professionals across the week.

NEW CHILDREN

We have welcomed many new families to the school over the past few weeks. We hope that you and your child will be very happy as part of our growing community.

SCHOOL EXPANSION

As our school continues to grow and expand we are looking to recruit a number of posts into our happy staff team. Please see the link below for further information.
