- supports the child in becoming a responsible citizen and contribute to the local community
- celebrates the individual

The Dunham Trust aims to contribute positively to the self-improving school-led system in education across this locality. We believe in true collaboration; working in partnership, investing in people and building capacity for long term, sustainable success. There is both the expectation and opportunity for collaboration across individual Trust schools.

### **The five schools in The Dunham Trust are:**

The Dunham Trust is a growing Trust with very clear educational aims and expectations. One of The Trust's primary aims is to transform the schools within The Trust into sustainable learning communities. We want to create a community of good and outstanding schools with the highest aspirations. The skills and expertise that exist within The Trust will ensure that our academies and young people aspire to, and achieve, success. We achieve this through a well-structured School Improvement Programme which is supported by The Trust's two Teaching Schools.

- The Management of Health and Safety at Work Regulations 1992, which require employers to make an assessment of the risks to the health and safety of their employees
- The Management of Health and Safety at Work Regulations 1999, which require employers to carry out risk assessments, make arrangements to implement necessary measures, and arrange for appropriate information and training
- The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 2013, which state that some accidents must be reported to the Health and Safety Executive (HSE), and set out the timeframe for this and how long records of such accidents must be kept
- Social Security (Claims and Payments) Regulations 1979, which set out rules on the retention of accident records
- The Education (Independent School Standards) Regulations 2014, which require that suitable space is provided to cater for the medical and therapy needs of pupils

This policy complies with our funding agreement and articles of association.
