

Maths

We will be working on our numbers this half term, one to one correspondence, addition and confidence.

PSHE

We will continue enjoying our 'wellbeing Wednesdays' this half term where we will focus on friendships, empathy and feelings.

Science / Geography

We will be planting seeds and writing journals about how they grow.

Phonics / Reading

Our phonics will focus on letters and sounds and beginning to blend letters to support our reading as well as our writing.

We will bring home one reading book every week, please read with us at home and make sure it comes back to school with us to get it changed.

Spring 2 The Queen

PE

We will be having our weekly sessions with Commando Joe on a Tuesday and our focus will continue to be 'The Queen'.
Look out for our weekly missions!

Music

This half term we will be learning new songs and signs to go with them. Please ask us to sing and sign our songs to you at home.

Enrichment

We will work on following instruction and working together.

English

We will read 'Paddington at the Palace' by Michael Bond for three weeks and 'Katie in London' by James Mayhew for three weeks. We will be using our phonics to write about the stories and the characters in them.

Art/DT

In DT this half term, we will be designing and making our own castles.
