10th November 2020

Dear Parents and Carers

As part of Children in Need this year The Orchards have decided to be part of something special to help fundraise.

On 13th November the Children In Need Primary School Relay will be joining The Orchards as part of the Children in Need fundraiser. This is a local event which involves Driving Instructors relaying a Children in Need Pudsey top box and flags on their cars along with multi-coloured spots across the whole of the car.

The cars that will be joining The Orchards have been given a spotty make over to help raise money for Children in Need and we have been asked to participate in the event by allowing staff and children to sign a spot for a donation of £1 on Friday 13th November. The spot will remain signed on the car until it reaches its end destination as part of the fundraiser event. It is a fantastic cause and we hope that you will donate a £1 to sign a spot on the convoy of cars we are expecting.

During the day the children will be celebrating Children In Need by completing a range of activities across the school. Children can wear their own clothes and we will post lots of pictures on Earwig so you can see what a great day we had!

Many thanks for supporting us with this important charity.

Kind regards,

Jane Cawood
Assistant Headteacher

TOGETHER WE WILL
Challenge the ordinary
Promote individuality
Be advocates for change
