Would you like to join a school at an exciting time in its development? Are you committed to making a difference to children and families? Then The Orchard's could be the school for you!

We are looking for an energetic, empathetic and resilient family support worker to join our rapidly growing team. This is an exciting and unique opportunity to build family support from the ground up and make a real difference to the outcomes of the children and families in our wonderful community.

The Orchards School opened in September 2016, providing high quality places for primary-aged children with moderate to complex special educational needs. The school moved into its brand new, purpose built facility in September 2020 and since then has seen rapid growth in pupil numbers.

The Orchards School is a member of The Dunham Trust, which is a Multi-Academy Trust (MAT) of five schools based in Trafford. The Trust's core aim is to provide quality experiences and make a significant contribution to the children in its care.

The Trust provides a successful platform for staff networking, professional development and collaboration across its schools through its teaching school alliances and its MAT networks. The central Trust team includes a National Leader of Education who are highly experienced and able to provide strong leadership and support to schools.

We encourage applicants to visit our school and Trust websites and read our School [Child Protection and Safeguarding Policy](#) and [Trust Child Protection and Safeguarding Statement](#).

The Dunham Trust and The Orchards School is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. Staff and volunteer appointments will be subject to satisfactory pre-employment clearances and checks including a Disclosure and Barring Service check.

As an applicant, The Dunham Trust will need to obtain and process certain information about you. In accordance with obligations under the Data Protection Act 2018 (the "Act") The Dunham Trust's 'Applicant Fair Processing Notice' outlines what personal data will be collected, the lawful basis/bases for processing that personal data and what will happen to the personal data following the completion of the application process, whether successful or unsuccessful. Further details are available here <https://thedunhamtrust.org.uk/contact/>

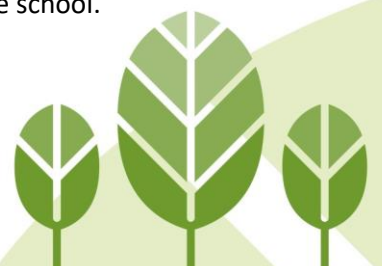

Application form, job description and person specification are available via Greater Jobs. Please return completed application forms to the jobs e-mail address (recruitment@theorchards.trafford.sch.uk), or by hand/post to the school office, by the closing date listed below. Please note that email application is preferable.

Due to Covid 19 restrictions, unfortunately we will not be able to offer a tour of the school.

Closing Date: 8th February 2021 @ 12pm
