

# Riverside, Hilltop and Meadows Pathway

## Suggested Websites

These are the suggested websites for your child's pathway, which may be used to support home learning alongside personalised Home Learning packs.

[YouTube - Soundabout](#) A Facebook group for music sessions daily at 9.30am

[Twinkl](#) - sign up for free at the moment and there are lots of table based and sensory ideas around your child's interests - such as flags of the world, shapes, there are also lots of stories on here and ideas for sensory exploration.

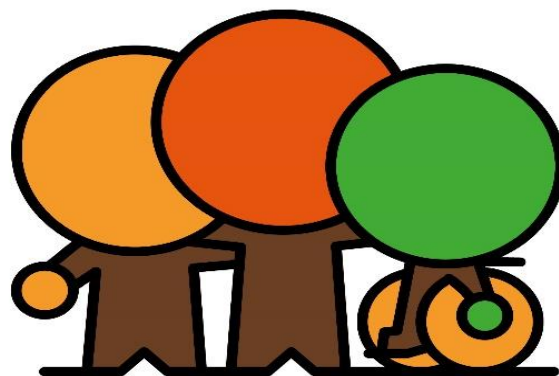

[Edinburgh Zoo Live Cam](#) - Edinburgh Zoo are live streaming some of their animals so you can login at any time of day to see what they are up to! They are streaming their pandas, lions, tigers, koalas and penguins.

[Disney on Stage](#) - following on from our theme this term of Walt Disney, there are some activities that would be nice to do with the children based around some of the best Disney films - The Lion King, Frozen, Mary Poppins and Aladdin.

[NASA](#) - NASA the space agency have some lovely activities on their website - from building rockets and helicopters to live streams of the earth from the space station.

[Learning 4 Kids](#) - this website has so many sensory exploration ideas and you have access to all of the recipes too.

[50 EYFS Activities](#) - lots of fun activities to keep little hands busy!
